

Give a meaningful gift of love to someone

SHelter is a Malaysian registered non-government welfare organization. Set up in June 1981, we are guided by the vision of giving children 'at risk' a childhood and future, by protecting, guiding and healing them. Most, if not all, of our children are either abused, abandoned, neglected, or at risk.

"Anyone who thinks that they are too small to make a difference has never tried to fall asleep with a mosquito in the room."

- Christine Todd Whitman
